

New Cartridge Heater Sizes!

1/2/2018

I hope 2018 has started with many blessings for you already! We are in the starting gate, ready to offer you some NEW SIZES in Cartridge Heaters. We now have a more complete line with 22 different diameters in Metrics and Inches. Some of these we have not been able to offer in the past, but are well equipped to handle all of your needs!

Our customer service team and engineering tech team are available for you when you have questions about ordering, or placing an order. We have already had customers taking us up on these new sizes, and we hope you will too. We try hard to please our customers and meet your needs. This is a request that customers have been making for a few years, and we have been working hard on being in this position.

We will also be offering a new Band Heater experience soon. Please keep yourself informed with our announcements.

I do hope you will take advantage of these new Cartridge Heater Sizes. Have a wonderful New YEAR!! We look forward to hearing from you.
